

Christmas Past (K-1)

Travel back in time to learn all about winter traditions in our community, including gifts, decorations, and food. From the historical *Wreck of the Northwestern* puppet show to decorating an early settler cabin, this festive program offers children a fun introduction to the Museum. As a souvenir of their visit, students will make autograph books to take home along with tasty treats.

Program length is 1-hour and is offered for a limited time only in December.

We recommend booking early - this popular seasonal program fills up quickly!
