

Christmas Past (Grades K-1)

Travel back in time to learn all about winter holiday traditions in our community, including gifts, decorations, and food. From the historical *Wreck of the Northwestern* puppet show to caroling through an imaginary forest, this 1-hour festive program offers students a fun introduction to the Museum. Students will make autograph books to take home along with a tasty gift from us. We encourage classes to bring handmade ornaments to help decorate an early settler cabin. Their ornaments will be displayed on the “Kindertree” in our Festival of Trees exhibit.

This seasonal program is offered for a limited time only in December.

We recommend booking early - this popular program fills up quickly!
